**Cc:** Sen. Linares, Art  
**Subject:** prison release

I urge all legislators for the State of CT to pass this bill making violent felons release from prison more difficult. Many of these people do not belong in society. To that point, many should face a quick and expedient death penalty in the future, should the crime fit the punishment. Want to balance the budget? Start euthanizing these repeat, violent offenders, instead of housing, feeding and educating them.

Thanks,
